Taxpayer *OR* Spouse _____

1-person per worksheet

Tax Year: _____

You indicated that you and or your spouse received cash* income for which you did NOT receive a 1099

- Do NOT list the 1099's you received
- Do NOT report money here if you received a 1099 for that money
- ONLY list cash income not reported on 1099

List the business/work/profession/occupation in which you received this CASH* income <u>NOT</u> reported on a 1099? Each line is a single business/work/profession/occupation, not each "job."	Amount of CASH* income <u>NOT</u> reported on a 1099
A. _____	\$ _____
B. _____	\$ _____
C. _____	\$ _____
D. _____	\$ _____

If you have expenses for any business, fill out an *Organizer - Expense for Business* for that business

**** Income you receive that is not reported to you on a W-2 or a 1099 is considered "CASH" even if the person "wrote you a check." If the check they wrote you is not then reported to you on a W-2, it is considered "CASH" and is treated the same as if it were on a 1099-MISC even if you were not given a 1099.***
